

## **Shiva Cement's output to rise**

The manufacturing capacity of Orissa-based Shiva Cement will increase 16-fold, with the implementation of the second phase of expansion in next three to four years. At an investment of Rs 165 crore, the company is raising its capacity to 6.6 lakh tonnes from the existing 1.5 lakh tonnes. The second phase, with an investment of Rs 635 crore, will increase output further to 23 million tonnes.
