

RBI may hike repo rate thrice this year: Mistry

PRESS TRUST OF INDIA
Mumbai, April 22

Keki Mistry

THE RESERVE BANK of India is not behind the curve in terms of interest rates and may raise the repo rate twice or thrice this year, HDFC vice-chairman and CEO Keki Mistry said on Friday. Mistry said it is important for the country to maintain growth in the economy as it will lead to job creation, improvement in income levels and increase in consumption.

"I truly don't believe that we are behind the curve in terms of (interest) rates. I believe that there would be rate hikes during

Fall in HDFC twins stocks is very short term: HDFC CEO

THE FALL in stock prices of HDFC and HDFC Bank after the announcement of their merger was due to the lack of "clear" communication on the merits of the amalgamation on account of silent period ahead of quarterly results declarations, according to HDFC CEO Keki Mistry. He sought to allay the concerns of the shareholders and investors, saying that

the fall in stock prices is temporary and "all is well". "The way I would say that this (fall in stock prices of HDFC and HDFC Bank) is very-very short term. We have not been able to communicate very clearly or in an articulate manner the merits of the merger because of the fact that we all have our (Q4) results," Mistry said.

Economic Conclave.

Mistry said one should not compare India's inflation with that of the US, which is seeing inflation above 8.5%. In March this year, the Fed raised interest rates by 25 bps and signalled six more rate hikes this year to contain inflation. He said historically the US had extremely low inflation and India had high inflation with a gap of close to 400 basis points. However, today inflation in the US is over 8.5% whereas India is expecting inflation to be at 5.7% in the next year. "So, we are 2.8% lower than the US. Obviously,

RBI launches next round of survey to assess biz sentiment

PRESS TRUST OF INDIA
Mumbai, April 22

THE RESERVE BANK on Friday said it has launched the next round of the quarterly Industrial Outlook Survey (IOS) to assesses business sentiment for the current quarter and expectations for the ensuing three-month period.

The survey assesses the business sentiment and expectations based on qualitative responses on a set of indicators pertaining to demand conditions, financial conditions, employment and the price situation. "The survey provides useful insight into the performance of the manufacturing sector," the RBI said.

The central bank has also launched the 33rd round of the quarterly Services and Infrastructure Outlook Survey

Owing to continued uncertainty because of the COVID-19 pandemic, an additional round has been included in the survey round for assessing the outlook on key parameters for the third and fourth quarters of the 2022-23 financial year.

In another statement, the RBI said it has launched the 33rd round of the quarterly Services and Infrastructure Outlook Survey (SIOS). The survey assesses the business situation for the current quarter from selected companies in the services and infrastructure sectors and their expectations for the ensuing quarter.

This survey captures responses on a set of indicators pertaining to demand conditions, financial conditions, employment and the price situation.

RBI imposes ₹36-lakh fine on Central Bank

PRESS TRUST OF INDIA
Mumbai, April 22

THE RESERVE BANK of India on Friday said it has imposed a fine of ₹36 lakh on Central Bank of India for violating norms on customer protection. This penalty has been imposed under the provisions of the Banking Regulation Act, 1949, the regulator said.

"This action is based on the deficiencies in regulatory compliance and is not intended to pronounce upon the validity of any transaction or agreement entered into by the bank with its customers," it added.

The RBI had conducted a statutory inspection for supervisory evaluation of the bank with reference to its financial position as on March 31, 2020.

It revealed non-compliance with the relevant directions to the extent the bank failed to credit (shadow reversal) the amount involved in the unauthorised electronic transaction to the customers' account within 10 working days from the date of notification by the customer, RBI said.
